Give a rating from 1(lowest) to 9(highest) for each of the questions/ items  
for evaluation listed below.

Ratings: Below Avg. 1, 2, 3 Satisfactory 4, 5, 6 Excellent 7, 8, 9

The team members started the presentation at the designated time:

Rating: 9  
Comments: The presentation started on a given time

The team members came prepared for the presentation. (Set up time was less than ten minutes)

Rating: 9  
Comments: The preparation was done smoothly in less than 10 minutes

The presentation was clear and to the point.

Rating: 8  
Comments: Everything is direct to the point

The students were able to meet the requirements of the client.

Rating: 8  
Comments: Yes, the students were able to meet the standard requirement

The students were able to answer the questions of the client in a satisfactory manner.

Rating: 8  
Comments: Yes, the reply was satisfactory.

Overall Comments on the student's presentation:

The presentation is clear, precise and very direct to the point. Although, it needs a little improvement with regards to the simplification of other category. The more simple it is the better it will be clearly understood. I am delighted that the students are very open to suggestions.

for evaluation listed below.

Ratings: Below Avg. 1, 2, 3 Satisfactory 4, 5, 6 Excellent 7, 8, 9

The team members started the presentation at the designated time:

Rating: 9

Comments: Always on time.

The team members came prepared for the presentation. (Set up time was less than ten minutes)

Rating: 9

Comments: preparation was done in less than 10 minutes

The presentation was clear and to the point.

Rating: 8

Comments: It is clearer compared to their first presentation

The students were able to meet the requirements of the client.

Rating: 8

Comments: The students were able to meet the standard requirements of our company

The students were able to answer the questions of the client in a satisfactory manner.

Rating: 8

Comments: Some questions raised during their presentation were answered by the students in a very clear and very satisfactory manner

Overall Comments on the student's presentation:

The presentation was very impressive. It shows progress based on what we've discussed from their initial presentation. They were keen listeners to their client and indeed they applied the changes to improve their work and satisfy me as the owner of the company. The application was done professionally and I am looking forward to meet these students for their final presentation.

and make this application ready for DEPLOYMENT.

Company / Organization Name: Journeys & More Global Tours and Consultancy Co.

Project Name: JMGTC Booking and Reservation System

Primary Contact Person: Katherine Mayo

Meeting Location: JMGTC Office

Meeting Date: March 28, 2015 Start time: 1:27 End Time: 2:00

Meeting Minutes:

1. Topics Discussed:
2. Items Agreed Upon
3. Items to be clarified
4. Next Things to Do
5. Conclusion

1. TOPICS DISCUSSED:

- \* How the team implemented the revisions from the first iteration to the project, to this second iteration.
- \* the progress of the group with the project development.
- \* the features of the system, which was explained by the group.

2. ITEMS AGREED UPON:

- \* For the travel & tour module:
  - Add more options to "others inclusion"
  - Fix the content of the email that would be sent to the travel agents.
- \* for the Appointment Module:
  - Change Visa Assistance Appointment to Visa Consultation Appointment
  - Set consultation fee to a static value

3. ITEMS TO BE CLARIFIED:

- \* Project final Approval
- \* Project Deployment

4. NEXT THINGS TO DO:

- \* Implement changes from this iteration to the final iteration
- \* Complete remaining modules of the system.
- \* Validate all input fields and page redirection
- \* Finalize everything for the last iteration.

5. CONCLUSION:

The client is impressed and willing to use the system. Due to this, the group are very glad and more enthusiastic in completing all the modules of the system.
